SPRING/SUMMER 2009

*Note from
Duane VanderKooi,
President*

Hey Ya'll

Every year we continue to grow and improve. We are so happy with the new cabins and the success we have had with them. Our goal for 2009 is to pay them off and possibly purchase 3 more larger cabins to replace 3 campers. We now have 19 sites that have 30-50 amp service.

Our management team is always striving to make your camping trip the best it can be. We appreciate them so much.

I would like to thank the workcampers for assisting Dave , Cathy and Dawn . You do a super job !!!

I wish to thank the Board Members for their time, ideas and continued devotion to Horseshoe Trails. Thearon Jackson, Mamie Ashworth, Doug Merck, Ted Stowe , Ray Campbell and Teresa Stone.

Howdy Folks ,

Our summer and fall seasons were very busy, but fun. Our goal is and always has been, is to provide you a wonderful and friendly place to come and relax and enjoy yourselves. It is always good to see you folks again after a slow but productive winter season.

We would like to thank the Board Of Directors for their continued support. They do a terrific job , and always have the members in mind when they make decisions for the resort. You are very fortunate to have them as your Board Of Directors.

Cathy and I would like to thank Dawn for all her help and support over the past year. She is a great asset to Horseshoe Trails and we love her dearly.

Last but not least, Cathy and I thank the **WORKAMPERS** for all their hard work to make this a beautiful place. Without them we couldn't do it all !!
